Academic Policies & Information

- **Grading Scale:** The grading scale for HGMS will be the same as it reads in WCPSS Board Policy as far as what constitutes an A (90-100%), B (80-89%), C (70-79%), D (60-69%), and F (59% and below).
- **Basic Notation in PowerSchools:**
 - /-- A placeholder to signify that no work is/was completed or turned in; the student may still complete the assignment. Please note that this place holder counts neither for nor against the student's overall grade but will significantly impact a student's grade once converted to the earned grade or to a "0" for not completing the assignment.
 - 0/F** Signifies that no assignment was completed or has yet to be submitted to the teacher, and the assignment will now count as a "0." The teacher *may* allow (teacher discretion unless an excused absence) this assignment to be completed/turned in late; the assignment may incur a penalty.
- **Late Work Policy:** Students may turn in late work, with a penalty of no more than 20% off for each assignment that is late. No deductions will be applied for any earned score below 60%.
- **Grade Improvement Policy:** Any student who earns below 80% on a classroom unit assessment may retest for Grade Improvement. Any 6th grade student who earns 59% or below on a classroom unit assessment will be required to retest. Any 7th or 8th grade student who does not pass a course for the quarter, will be required to complete retests for the following quarter in that course, if necessary. Students who earn below 80% on a major assessment due to points deducted for being late are not eligible for Grade Improvement.
